TSA 2 (cont.)

Yeah and the wife

TSA 1 and 2

LAPTOP IN THE BIN! WHAT ARE YOU STUPID? HAVE YOU NEVER BEEN TO AN AIRPORT EVER YOU BIG STUPID ASSHOLE?

TSA 1

Is that hand sanitizer 3.5 ounces? Looks like a bomb to me. Hey, are you wearing a tampon? Or is that a tampon sized bomb? Fake hip? There's been an uptick in old people having bombs lately.

TSA 2

You're so slow with that bin. So slow. Have you noticed everyone is looking at you and thinks you're so slow? Yeah. Slow.

A

(sung)

*I dreamed a dream that I could fly
With all my wine, my cheese, and fruitcake
I dreamed that I could touch the sky
Without TSA probing my suitcase*

B

(sung)

*Security's the most horrible I have felt
That agent could not be any worse
I can't keep taking off my belt
Too hard to wear my high top converse*

C

(sung)

*But the saddest is the batteries
I have so many lithium ion batteries
I want to take them across state lines
But they get mad at me when I try*

A

(spoken)

Yeah for a good reason

B

(spoken)

Are you crazy

A

(sung)

Even security attacks the crew!

C

(sung)

I doubt my batteries will blow up the plane

B

(sung)

I want to bring a whole bottle of shampoo!

C

(sung)

I have like 30 giant lithium batteries

A

(sung)

They yell when I'm too slow in the line

C

(sung)

Its like hoverboard and multiple laptops

B

(sung)

I am confused, they are not kind

C

(sung)

And because of all my batteries I'm on the no fly list

C (cont.)

(sung)

I love my lithium batteries

My batteries mean so much to me

I'd rather die than be without my chargeable batteries!

I put them in a box they are my entire carryon

TSA 1

(spoken)

Is that a suitcase of just lithium ion batteries?

TSA 2

(spoken)

Yep. FBI has been waiting years for her. Man, I am on a power trip right now.

(They arrest C)

A

(spoken)

With security gone...

B

(spoken)

I got the wine

RACHEL

Um...hey, its okay kiddo! Let's just get up! C'mon!

(Rachel tries to

CAST
MARY
ETHEL

(Bethlehem. Mary
and Ethel sit at a
table, their kids
running around.)

ETHEL

Daniel. Daniel. Put down the goat dung. Put it down.

MARY

Jesus, please don't float and glow right now.

ETHEL

I mean, Jesus is such an angel.

MARY

Not quite.

ETHEL

I just don't know how to raise Daniel in a good way. I mean, he
wants to be a potter. I didn't raise a son who wants to pot all
day.

MARY

He will find his way. And so will Jesus.

ETHEL

I guess so. Mary, I have to tell you, this wine is fantastic.

MARY

Thank you. Jesus made it.

ETHEL

I mean, now that the boys are all grown up and we're finally back to our monthly wine night, you know you can tell me.

MARY

What?

(She gets
distracted)

Jesus, please go take a bath. I hope he doesn't part the bathtub again. I mean, he's not all he's cracked up to be, he keeps threatening to flood the house.

ETHEL

Mary.

MARY

Ethel.

ETHEL

He looks nothing like Joseph.

MARY

I know. That's because-

ETHEL

An angel came into your room at night, yes I've heard your tale. But Mary, you can be real with me.

MARY

I don't know what you're talking about.

ETHEL

You literally had Gabriel on speed prayer for months. I don't believe it for a second. I mean you were crazy in our tending the house months, when boys were in school.

MARY

Yes, but that was a different time. By the time Gabriel came to me I had settled down.

(Jesus walks out,
chocolate in hand)

Jesus, you can NOT have all that chocolate. I mean seriously, I
tell him one and then he multiplies it. I am so tired of it!

(Thunderstrike)

Never mind. Do whatever you want, Jesus.

ETHEL

I mean, it would probably help him if he knew who his father is.

MARY

It's just really confusing. It's kind of God and kind of Gabriel
and Joseph but he doesn't really matter-

ETHEL

I knew it! I knew you did it with God!

MARY

No, no. He just tells me what to do.

ETHEL

Sexy.

MARY

Not even. Listen, I mean, Joseph and I, we did some stuff but
not that.

(Beat.)

Just like, hand stuff.

ETHEL

In that case I have, like, 12 kids on the way.

Blackout.
